

Relaxable Commissions

Terms & Conditions

These terms apply to commissions for **private/personal use** only.

For business inquiries, please contact me at estelle.pechuzal@gmail.com.

What I will and won't draw

I will draw	I will not draw
Humans	Machinery / vehicles of any kind
Anthro / furry	Ultra detailed architecture / buildings
Animals	Explicit NSFW
Natural environments	Excessive gore*
Suggestive / tasteful scenes	Any kind of fetish

*(bleeding/mild violence is fine, bullet wounds etc. are fine)

If you are wondering whether your request includes any of the objectionable material above, please send me a direct message on Discord (Relaxable#2400) or an email (estelle.pechuzal@gmail.com) and I will be happy to provide clarification.

I will draw original character(s) and/or fanart. However, I will not draw any body modifications, such as extra limbs or other modifications of that nature.

I reserve the right to decline a commission for any reason.

Rules for Usage

- ▶ I may use any picture I create for sale and presentation in printed form, e.g at conventions, in art books, etc.
- ▶ I may use all pictures for Patreon/Ko-fi projects and other digital projects. I will not change anything in the picture. For all images that I use in this manner, I will always include the character's name, the creator of the character and copyright information. (Example "[name of character]" (C) "[name/nickname owner]")

Payment Policy

All payments are to be fulfilled via PayPal (estelle.pechuzal@gmail.com).

- ▶ I will request the first half of the agreed price before starting the sketch. This stage of the painting is the most malleable in terms of direction, so please request any and all important changes at this stage.
- ▶ Once the sketch is complete and you are completely satisfied with it, I will then request the second half of the agreed price. Once I receive this, I will then proceed with colouring and background.

If you would prefer to pay the full amount up front, this can also be arranged – simply let me know.

If you're paying the full amount: I will provide one single invoice.

If you're paying half and half: I will provide separate invoices for both payments.

Cancellations

If you paid in full: If you cancel the commission during or after the sketch stage, a 50% refund will be issued. There will be no refunds during the colouring and rendering stage.

If you paid half: Due to the nature of this option, no refund will be issued.

If I cancel the commission, I will refund the full amount.

Once the Commission is Complete

I will send you all digital files by email.

- ▶ Compressed **.jpg** file for **public** (internet) use
- ▶ Full resolution **.png** file for **private** use

The .psd file will not be provided.

Please make sure to communicate exactly what you want when commissioning, and be sure to provide me with all details. Requesting any major changes during the sketch stage is fine and preferable; however, should any major changes be requested during the colouring/ rendering stage, I will charge based on how long the change will take.

There will be a 14 day (2 weeks) grace period after completion to request up to 2 minor modifications, free of charge. Additional modifications or modifications after the grace period will be £15 each. This is a convenience fee more than anything, as I will likely be busy focusing on other projects at that point.

Thank you for commissioning me!
